

Just 20 pc power consumers use online bill payment facility

LOKMAT NEWS NETWORK
AURANGABAD, DEC 8

Though the Maharashtra State Electricity Distribution Company Limited (MSEDCL) boasts of its hi-tech services, only 20 per cent consumers in the Aurangabad division use the online bill payment facility and 80 per cent still prefer using the manual mode.

Social activists say this is all because of the lack of awareness among citizens.

The Aurangabad region of the MSEDCL has 16.34 lakh low tension electricity consumers. According to a press release, 3.25 lakh consumers in 11 districts of Aurangabad region have paid Rs 65.74 crore bills of November 2017. The region has four zones, including Aurangabad, Jalgaon, Latur and Nanded. From Aurangabad, bills to the tune of Rs 21.09 crore has been paid by online method, while from Jalgaon, Latur and Nanded, bills worth Rs 19.14 crore, Rs 13.33 crore, Rs 11.37 crore respectively have been received online.

Social activist Rahul Ingle said there is a need for creating awareness about the online bill payment facility. "It is true that paying bills online is not compulsory, but it does save time of consumers. As far as the use of online facilities is concerned, many consumers do not have smart phones and those who have, do not know how to use the App. It is necessary that MSEDCL educate citizens and encourage them to use

Chief engineer of Aurangabad zone Suresh Ganeshkar, however, claims the number of people using online bill payment facility is slowly but surely increasing

online bill payment facility," he advised.

Chief engineer of the Aurangabad zone Suresh Ganeshkar said it is all about mentalities of people. "The MSEDCL does request citizens to use online bill payment facility. It has launched an application for it. Online payment is safe and saves lot of time," he added. He said the MSEDCL has provided online facility to pay electricity bills to those consumers who use low tension electricity connections. Bills can be paid by mobile application as well as online process.

"The alternatives of net banking, credit card, e-mobile wallet, cash card are also available. Consumers also get a receipt of bill paid. A couple of months ago, an encouragement drive was carried out in which team of the MSEDCL visited highly crowded areas and urged people to pay their bills online. The number of people using the online facility is slowly but surely increasing," he asserted.

The following table shows the number of consumers using online bill payment facility.

Zone	Total Consumers	Online consumer	Per cent
Aurangabad	3.83 lakh	1,00,410	26.21
Jalgaon	4.40 lakh	97,480	22.15
Latur	4.06 lakh	80,670	19.86

Jadhavwadi traders demand basic amenities

Aurangabad, Dec 8: The Aurangabad association of fruit and vegetables commissioned agents and traders today urged the Aurangabad Municipal Corporation (AMC) to provide basic amenities to at Jadhavwadi Market or else they would not pay the tax in future.

The delegation through memorandum drew attention of the mayor and the acting municipal commissioner stating that the civic body collects property tax from each gala-owner on Shri Chhatrapati Shivaji Maharaj Bazaar Sankul at Jadhavwadi, but the traders as well as the vis-

iting farmers and citizens have been facing hardships since years due to non-provision of basic amenities like roads, drinking water, toilets, streetlights etc. The civic body is bound to provide facilities against tax collection.

The memorandum said that the civic body is collecting property tax since 1999, but never heard or settled the grievances of traders and farmers at the wholesale market. The AMC records cent per cent tax collection from the

market.

However, due to apathy of the civic body their life is at risk. The campus is unhygienic for it is not being cleaned for a long time and it had become a haven for stray animals.

The AMC has no rights to collect the tax if it fails to provide basic facilities or they would not pay the tax in future. The memo was duly signed by president Isa Khan, vice president Arjun Yeole, secretary Javed Khan, joint secretary Raju Padaswan, members Musa Khan, Punjaram Sarate, Shaikh Imram, Sarfaraz Khan, Abdul Qadeer and Mujeeb Khan.

Demand to complete Haj House construction by June

LOKMAT NEWS NETWORK
AURANGABAD, DEC 8

Janjagaran Samiti, Maharashtra (JSM) today has urged the Cidco administration to complete the construction of Haj House, at Kile Ark, before the operation of flights for Haj 2018 begin.

The memorandum underlined that the flights will start in July. Hence it is necessary to complete the works by June. It is painful to learn that the construction work is halt-

ed for the past 5-6 months. The administration should intervene the matter and take up the issue so as to complete the task and provide a relief to Haj aspirants.

Chief administrator (Cidco) Omprakash Bakoria assured the delegation of taking up the issue and complete the building as well as handing over the possession before starting of flights for Haj 2018, stated the press release issued by JSM.

The delegation was led by JSM convenor Mohsin Ahmed and former corporators including Shaikh Munaf, Ibrahim Patel, Abeda Begum and Salma Bano.

According to sources, the principal contractor and the administration had a financial dispute.

Hence to get rid of the situation, the Cidco had invited a tender to complete the pending works in November. The estimated cost of tender was around Rs 16 crore.
